*We, the Senior Class of Berne High School, in order that we may frequently and clearly recall many pleasant memories of our high school days, publish this annual of Berne High School.*

*To our parents, who by their sacrifices and encouragement have made our high school education possible; to the faculty, for their splendid help; and to the advertisers, who assisted in making this publication a success, we wish to express our appreciation and thanks.*

## DEDICATION

For her enduring patience, hard work, and radiant personality, Miss Stone has given the students here at Berne High School many enjoyable moments. Her fine class plays which she has so capably directed have always been a success. It gives the Senior Class of 1948 great pleasure in dedicating this book to a most deserving person, Miss Blanche Stone.

Connie: Mr. Spurgeon, you have no right to send me to the Office.

Mr. Spurgeon: Why not?

Connie: Well, the Declaration of Independence reads: "There shall be no governing without consent of the governed."

\* \* \*

Mr. Webb: If you have seven apples and I ask you for two of them, how many would you have left?

Arne: Seven!

\* \* \*

Hedges: If a number of cattle is called a herd, and a number of sheep is called a flock, what would you call a number of camels?

Art H.: A carton!

Miss Blue: Now let me see if you can make up a sentence with the word "beans."

Graber: My father grows beans.

Ruthie: My mother cooks beans.

Kent: We are all human beans.

\* \* \*

Tom R.: What's the date today?

Chuck N.: I don't know.

Tom R.: Take a look at that newspaper.

Chuck N.: It's no use. It's yesterday's paper.

Ronnie: Is Amsterdam a bad word?

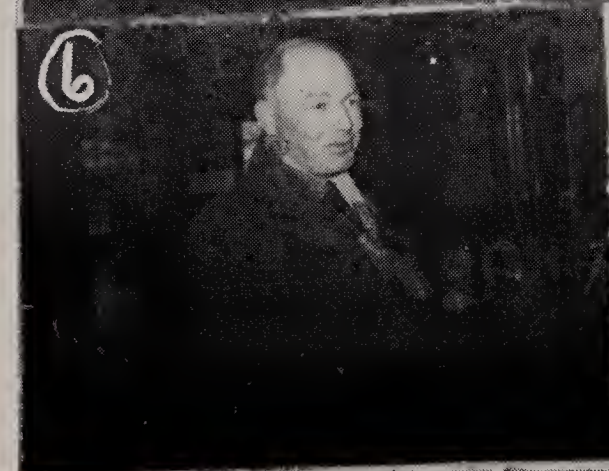

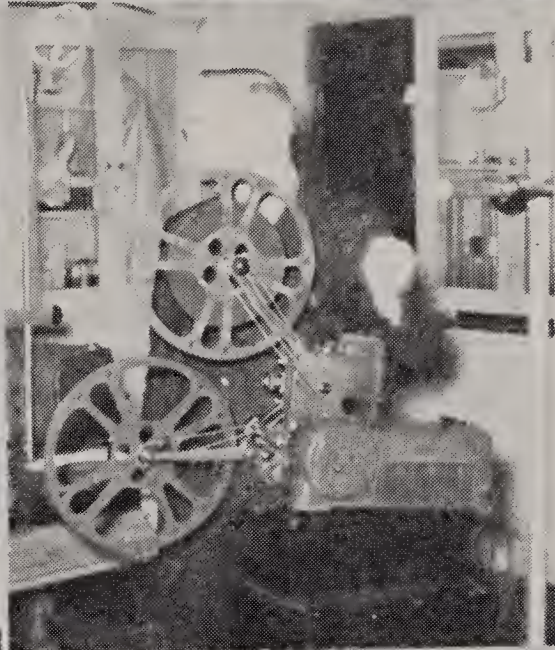

Howdie: No.

Ronnie: Is Rotterdam a bad word?

Howdie: No, why?

Ronnie: Well, Mary ate a piece of my candy and I hope it'll Rotterdam teeth out!

### TIPS TO STUDENTS

Always chew gum in class. It's a mark of highly developed culture.

\* \* \*

Answer questions before the teachers call on you. They save their abundance of stored up energy.

\* \* \*

Students are expected to be absent whenever possible. It makes less work for the over-burdened faculty.

\* \* \*

Sharpen your pencil whenever you are restless. It is a good chance to take your mind off your studies.

\* \* \*

Sleep whenever you become sleepy. The teachers won't have to tell you to stop disturbing others.

\* \* \*

Write all translations in your book. It's your duty you owe to next year's students.

\* \* \*

Copy all your work. It saves a lot of time.

\* \* \*

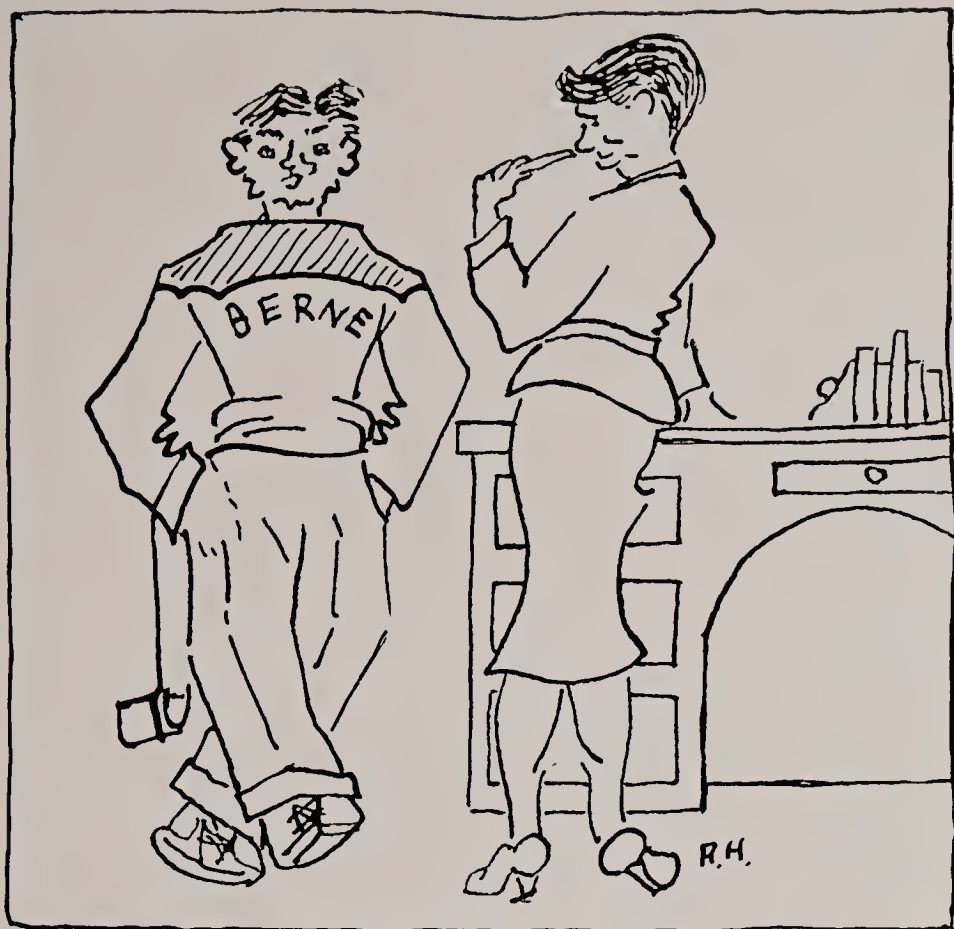

Always keep class room door glass clean. This enables Mr. Spurgeon and Mr. Renner to peek in without anything obstructing their view.

# CLASSES

## Senior Class History

In the year 1944 the names of thirty-five bashful Freshmen were entered upon the rolls of Berne High School.

In our first class meeting we chose Robert Schindler as our president; Sally Bagley, our vice president; Duane Ellenberger, secretary, and Charles McCrory, our treasurer. They led us through the nine months with a strong determination to achieve great things.

As we came back the next fall we felt quite grown up. We were very happy that we were now called upper classmen. Our class officers for this year were as follows: president, David Schwartz; vice president, Larry Liechty, secretary, Chester Habegger; treasurer, Sally Bagley. The biggest event during this year was a party held in the school gymnasium, in the middle of December.

We were now starting on the third lap of our journey. We chose David Schwartz for president; Marilyn Smith, vice president; Arthur Muselman, secretary, and Waneta Nussbaum, treasurer. This year for our first class play we gave "Every Family Has One," under the direction of Miss Blanche Stone. It proved to be a great success. On May 9 we entertained the Seniors at the Junior-Senior reception. A good program was given and the food enjoyed by all. We also had a very good class party at the CCC camp, in October.

At last we have succeeded in reaching our final goal. Our officers this year are: David Schwartz, president; Frederick Stauffer, vice president; Conrad Nagel, secretary, and Duane Ellenberger, treasurer.

This year had hardly a dull moment. Our class colors are cerise and white, with which colors this annual has been bound. This year our class has decided to go to Chicago on our class trip.

Another high spot in our Senior career was our class play, entitled "Beauty and the Beef." This play was a hilarious success.

Although we are glad that we have progressed so far, we look back with regret that this pleasant chapter of our life has ended. And so we take with us fond memories and the benefits of our experiences that will help us overcome the problems that we will meet in the future.

# Senior Class Prophecy

Hi, Ruthie!

Why, hello there, Sally. Imagine meeting you in Chicago! What are you doing now?

I am an airline hostess and am on my way back to Berne for a little visit.

As a matter of fact, I'm headed in that direction, too. I've been traveling around the country on my vacation, mostly by train, but now I've accepted a teaching position in Indianapolis.

Why don't you come with me in my car? There's plenty of room for all your suitcases.

Oh, fine! Then we can talk about our high school days together. Do you know what any of our old classmates of '48 are doing?

Well, I know Bob Schindler is really successful as a surgeon in Chicago. He always wanted to be a doctor.

I was in Philadelphia the day before yesterday, and met Robert Huffman going down the street. He recognized me, too, and stopped to talk. He's a commercial artist with the Peppermint Toothpaste Company. He is married now, and has two little blond girls.

Have you heard who won the Miss America title this year?

No, who? One of our class?

Yes. Jane Kehr. Isch must be proud of her! Oh, look what's playing at this new theater! James Shoemaker, the Van Johnson of 1956; Duane Ellenberger, Clark Gable the second; and the most popular actress in the U. S. in "Never Again." James and Duane graduated in '48, too. Did you know they both take a different girl out every night?

The Indianapolis Speedway Races will open tomorrow. Robert Wittwer, of Berne, is considered the best bet to win.

Imagine all those famous people coming from our class in old Berne High, Ruthie! Isn't it wonderful?

It surely is. Sal, that's a darling dress you're wearing. Isn't it a Beverly Ann frock? You know, that's Bev Sprunger who designs those dresses and I heard she's a wonderful designer. She's in Boston, isn't she?

Yes. Betty Schug designs clothes, too. Children's clothes, that is. Elaine Gilliom—she's Rich now—bought a Betty Lou dress for her little girl and it was the sweetest thing you ever saw.

Who else was in our class? Oh, Lanetta Bertsch—she owns a large beauty shop in Muncie now, and I hear she is engaged.

Cosetta Steiner, I hear, is still seen around Berne a lot. She's teaching a new kindergarten class. She was married six years ago—her twin boys are in her class.

Marilyn Smith is head nurse at Irene Byron, and Willodean Bollenbacher is the chief dietician.

Pauline Gerber married a photographer. They take pictures of their five children on their birthdays every year.

I'd better go get my car serviced. There's a long drive ahead of me. Look, here's a nice, modern-looking station. . . . Fill it up, and check the oil, please.

I wonder who that attendant is? He looks familiar. I do believe that's David Schwartz, our class president! Hi, David. Remember us? What do you hear from some of our Berne High classmates?

One of them is right next door.

Next door? Look, that sign says, "Flick's Pool Room, Wallace Flueckiger, proprietor." There he is now. Hello, Wally. How's the old boy?

No, really? I wonder if Loren Heare does the same. He's a singing cowboy in many of these western pictures. The younger fans really like him, too!

Here's my car. Let's sit and listen to the radio for a while. Oh, it's the "Hour of

Charm"! I wonder who their new singer that they announced last week is?

" . . . we bring you Waneta Nussbaum, our new "singing sensation."

Waneta Nussbaum! Why she's one of our old classmates, too. Isn't that beautiful singing?

It surely is.

Well, that program is over. Let's listen to the news.

" . . . And now for a summary of the day's news.

"Admiral of the Navy Kent Sprunger has just made the announcement that he definitely will not run for President.

"Valier Amstutz, famous professor and atomic power expert, has discovered a new element, which he has named 'stutzonium.'

"Construction of the bridge across the English Channel is nearly completed, American chief engineer Frederick Stauffer announced today. He and his English wife will be the first to drive across when the bridge is officially opened.

"A passenger train on the Atchison, Topeka, and Santa Fe railroad was derailed at Denver. The engineer, Walter Graber, was the only crewman who escaped unhurt.

"Now for the sports news. The Chicago Bears won against the Pistons, chiefly through the efforts of their star forward, Larry Liechty, who scored thirty-two points. His average is now thirty points a game."

Fine, thanks. By the way, I just got a letter from Leroy Sprunger, with some news about our class. I'll read some of it.

" . . . Gerald Lehman is a big wheat rancher in Nebraska. Conrad Nagel is president of Nagel's, Inc., the largest greenhouse business in the U. S. Charles McCrory married his high school sweetheart and is playing baseball with the New York Yankees. Arthur Muselman is the Democratic party boss in Indiana. Willard Lehman is a civil engineer in Columbus, Ohio. Roger Bixler is a pharmacist in the Navy. . . ."

Twenty

"I'll skip some here. It's just news about his town, family, and friends. His family, by the way, has four members besides himself—he has two girls and a boy. Here at the end he says, 'Come and see me sometime when my quartet sings in Pittsburgh.' "

Well, I believe that completes the list of Berne High School graduates of 1948. There are thirty-two of them, and as far as I can see, all of them have made successes in life.

Now we must be going along. We'll see you sometime—maybe at a class reunion.

## Junior Class History

In the fall of 1947 we entered our Junior year. After a long wait we at last had become upper classmen. We call ourselves the 49'ers.

For our class officers we chose Jack Lehman as president; Carol Sprunger as vice president; Arlene Habegger as secretary, and Tom Zehr as treasurer.

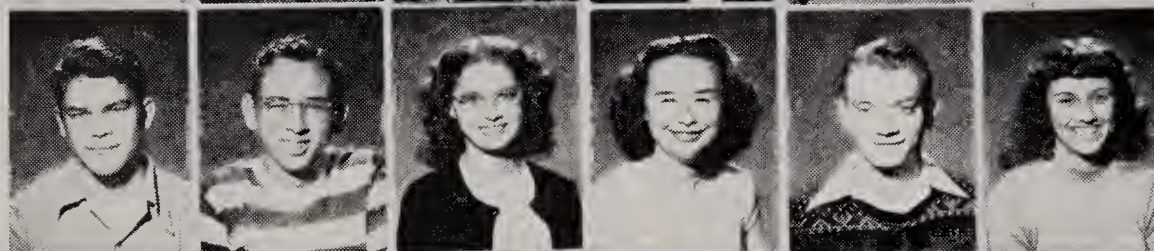

We went to the CCC camp at Bluffton for our class party. It was a Hallowe'en party and we had a fine time.

## Freshman Class History

In September of the year 1947, twenty-seven of us launched our High School Career—determined that our class should prosper and our school benefit because of our efforts. After our initiation we felt qualified to compete with the upper classmen and to make ours an outstanding class.

Our class officers are Charles Nagel as president, Robert Gilliom as vice president, Roderick Liechty as secretary and George Balsiger as treasurer. They have proved themselves worthy of the honor reposed in them.

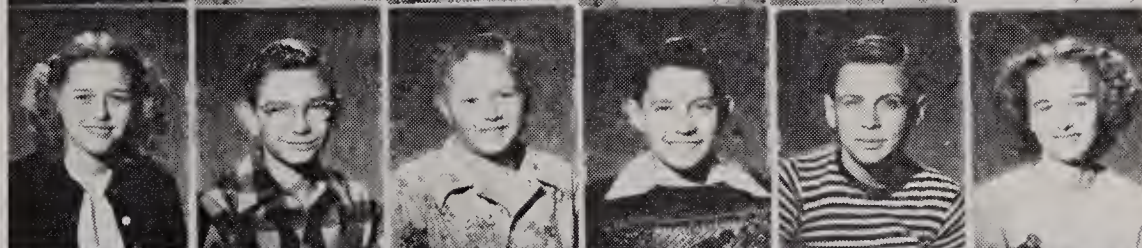

We had two enjoyable parties, one held at our school gym and the other a skating party. We hope that all of our parties in the future will turn out as good as these did.

We wish success to all future freshmen and hope that they will find their freshman year as enjoyable as we did.

## Coach Ned Shuck

Coach Ned Shuck has been coaching at Berne for four years. Mr. Shuck has produced some good teams during his four years at Berne. He has led Berne to two consecutive Sectional Championships. There is no doubt that Mr. Shuck is one of the best coaches Berne has ever had. He deserves a lot of credit luck in the world in his future years of coaching at Berne.

With very promising potential teams coming up, we wish Mr. Shuck all the for his success in Berne.

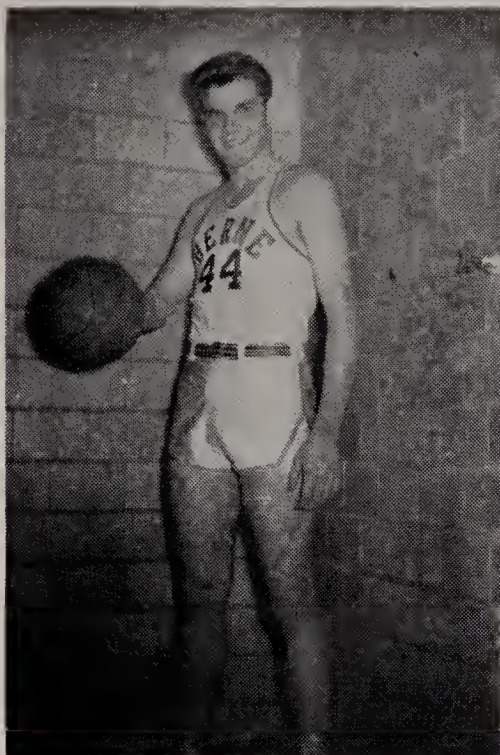

## CHEER LEADERS

Arlene Habegger

Maggie Lehman

Marilyn Smith

Leroy was the shortest player on the team but had a lot of drive and determination. He did his share of scoring and was the best long shot on the team. He played a regular guard position and is a senior and is a two-year man. N. S.

**DUANE ELLENBERGER**

Duane was another regular who played forward. He started slow but improved rapidly both in scoring and team play. His favorite shot was a one-hand push shot around the foul circle. He is a senior and played on the first team last year. N. S.

## BERNE BEARS BASKETBALL TEAM

The Bears finished a season of basketball with 11 wins and 10 losses. This record was not quite so good as it has been in previous years. But with the fine coaching of Mr. Shuck the boys were in there giving out all they had.

The Bears participated in a New Year's tournament. In the first game the Bears downed the favored New Haven Bulldogs by a score of 35 to 28 and then turned around and lost to a Red Hot Decatur team 46 to 30. This was the first time Berne has gotten to the finals for several years.

In the Sectional the Bears, after an eleven point lead at the half lost to Kirkland 33 to 32.

## CUBS

The Cubs this year won .500 of their games. They always fought to the finish, and were good competitors. The odds were against them because of their lack of experience and height. With most of the Cubs being underclassmen, we should have some very good teams in the future.

## Class Tourney

The Class Tourney this year was won by the Seniors, who defeated the Sophomore team in the first game, and then went on to defeat the Juniors in the final game by an overwhelming score. Congratulations, SENIORS!!

## BASEBALL

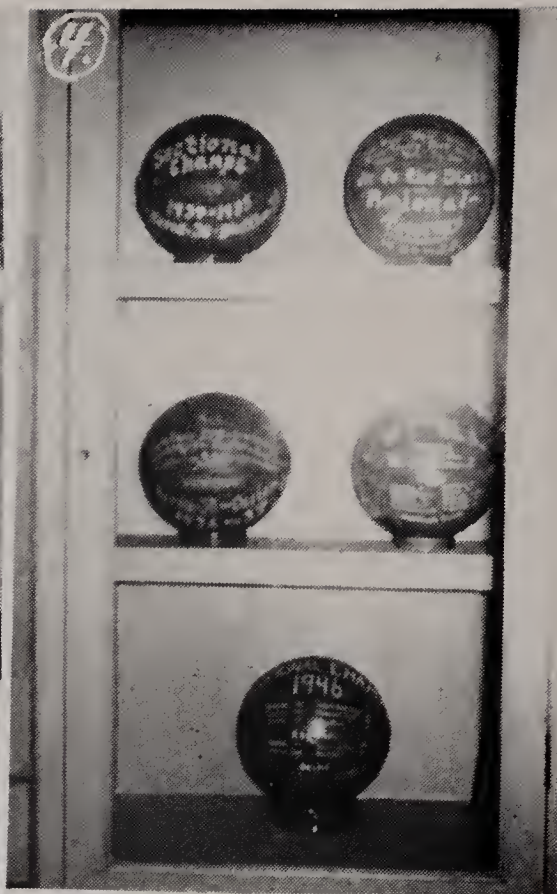

The Berne Bears finished a season of baseball without one defeat. The Bears played 10 games and won them all by large margins. One of the games seemed more like a basketball score than a baseball score. By beating Wren by an unbelievable score of 45 to 6, the Bears made a new record that will stand out far and wide.

The first string was made up of seven seniors, one Junior and one Sophomore. The team was made up as follows: C. McCrory, catcher; D. Ellenberger, pitcher; R. Krehbiel, 1b; L. Sprunger, 2b; A. Muselman, 3b; D. Schwartz, ss; R. Liechty, lf; L. Liechty, cf; R. Huffman, rf.

The graduation of seven seniors will leave a big gap in the team but Coach Shuck has some good boys he can put in those places.

All out congratulations to Mr. Burkhalter, for, because of his abilities as director, the students have been commended for their fine work and have gained more than the praise of their fellow students, they have gained an inward peace that will be a cultural influence all their lives.

The A Cappella rendered two complete concerts: One at the Maish Foundation at Van Wert and another at the Mennonite church here. They also sang for a Youth for Christ meeting. All the musical organizations of the school participated in a Christmas concert given here during the Christmas season.

## "PRINCESS TING AH LING"

The Operetta "Princess Ting Ah Ling" which carries a very marked oriental flavor was enjoyed by two large crowds on the evenings of March 17 and 19, 1948. It was presented by the members of the A Cappella Choir under the able direction of Freeman Burkhalter.

The setting of the story is in the mythical land of Way Off, ruled by King Duck Ling, (Johnny Eichenberger) which is constantly threatened by war.

Princess Ting Ah Ling (Waneta Nussbaum) was sought in marriage by Tu Fat (Tom Zehr) (Prince of the Land of Hokum and also by Wun Lung (Willard Lehman) elderly King of a neighboring Kingdom. She was wooed and won by Ah Lee (Jim Shoemaker) who was the son of Look See (Fred Stauffer) the court astrologer. Ah Lee, an American University graduate won the hand of the princess after an amusing series of incidents including the loss of appetite by Tu Fat, who loved his food more than he did the princess. Ku Ku (Robert Schindler) the court jester added much humor and enjoyment to the story.

Others in the cast were six chefs, Roger Bixler, Palmer Heare, Bill Barrett, Leroy Sprunger, David Nussbaum and Merlin Lehman and Billy Stucky as messenger and Jerry Lehman as Domine. The chorus consisted of 41 voices. An instrumental ensemble provided the musical background.

## MUSIC

The musical program of our school includes the High School Band, High School Orchestra, A Cappella Choir and Girls' Glee Club.

All groups have been active in the community functions during the past successful year.

The State Solo and Ensemble contest was held at Fort Wayne on February 21. Our school was very well represented this year. Among those receiving Superior rating were: Ruth Inniger, piano; Arlene Habegger, piano; Waneta Nussbaum, vocal solo; Delora Graber, vocal solo; James Shoemaker, vocal solo; Tom Zehr, vocal solo; Bob Schindler, vocal solo; a woodwind quintette and a boys' quartette. Two vocal solos, one violin, five piano solos and a string quartette received an Excellent rating. A Good rating was given to one vocal and one piano solo. We are very proud of these our fellow-students who have brought great honors to our school.

The Band, Orchestra and A Cappella Choir made an excellent showing in the District and State Contests. At the District Contest held at Hartford City each of our organizations received Superior rating. Also at the State Contest at North Manchester they all came through with Superior rating again. This is quite a record for us, and it is the first time in the History of Berne High School that every organization received a first division rating in both the District and State Contests. Congratulations to Mr. Burkhalter for his untiring effort and hard work with the students in preparation for these Contests which have increased the prestige of our school.

## JUNIOR CLASS PLAY

Penny takes up modern art—but hard: Grandma wants to spank her with a hairbrush but Penny's mother has been studying child psychology and is afraid she might "warp Penny's personality." Of course, Joanna,

her girlfriend, backs Penny up. They even refuse to go to the school prom with Greg and Kerry. It seems to Kerry action is needed, so he and Greg plot with the family—they all go in for ART. Penny's dad tootes sour notes on the saxophone. Penny's mother capers about artistically; the cook swings dumb-bells. Greg bellows operatic arias, and Kerry, pretending to be an artist, starts hiring models. To make matters worse, Penny shoos away the agent for a soap manufacturer who has a contract for her dad. She even forgets to tell her dad that the agent is coming back. But the woman does come back just in time to get a shot in the face from a water pistol, for Kerry and Greg fight a mock duel over Penny. And that's the plot of the hilarious play, "A Lucky Penny" presented by the Junior Class of Berne High School at the Community Auditorium, Saturday, February 7, under the direction of Miss Stone. Comedy, charm, and action galore—this play had them all.

## SENIOR CLASS PLAY

Ginny hopes her past on a quiz program will be a closed book now that they have moved to a small town. She won't be teacher's pet any more, and the boys will date her like anyone else. The captain of the football team, named "Beef," has already offered to help her with American History, which he can easily do since he's working off a condition in that subject. (He doesn't

know that it's Ginny's special field and she has it all cold from Columbus to date.) Ginny's brother is on her side; he's sick of being the brother of the child wonder. In fact, Lester is out to make the school band, although he knows nothing of music. He has picked out the bass drum as his instrument—that is, if he can only get hold of one. It turns out that Molly Woods' dad has one, and from then on Les is out to bribe Molly into sneaking it out, which she does with utterly unforeseen results. Ginny knows her dad is her chief danger, for he likes to brag of her record. He almost spills the secret in a talk with Beef, but remembers in the nick of time. But Beef sees Ginny's prize cup and discovers that the girl he has been "helping" is tops in the field. Beef leaves and Ginny is heartbroken. Then to prove to Beef that she isn't too smart, she copies the wrong answers from his exam. In the questioning that follows, each admits to copying but it is Beef who is suspended. That's another catastrophe, for without Beef, the team can't win the big football game. The only hope is somehow to get the game postponed until Beef's suspension is lifted. They get it postponed by putting epicac in the team's coca. But that stunt almost gets them in trouble with the law. Maybe they aren't so clever after all. Still it's all straightened out at the final curtain and Franny dates Foggy and Ginny has her dates with Beef at last.

## CITY DESK

On March 1, 1948, five seniors, and their speech instructor, Mr. Webb, represented Berne High School over the radio station WKJG, Fort Wayne, under the auspices of the Journal-Gazette. The subject of the discussion in which they took part was "The Spread of Communism in Western Europe." The five seniors of our speech class who participated in this unrehearsed program were: Marilyn Smith, Bob Schindler, Wallace Flueckiger, Charles McCrory, and Sally Bagley.

For most of us life is what we make it, but for the pedestrian it's if he makes it!

\* \* \*

Lily: "Yes, indeed, I've always had a soft spot in my heart for you."

Billy: "Well, then, let's get married."

Lily: "I said a soft spot in my heart, not in my head."

## CHEERLEADERS CONVENTION

This year something new was started in the State of Indiana. A state-wide cheerleaders convention was held at Bloomington, Indiana, on the Indiana University campus. 150 cheerleaders attended this convention, including three Berne representatives, namely, Marilyn Smith, Maggie Lehman, and Arlene Habegger. These Berne cheerleaders spent the day in Bloomington getting some pointers on ways to control crowds at the ball games, and also some new yelling methods.

\* \* \*

Write all translations in your book. It's your duty you owe to next year's students.

\* \* \*

Copy all your work. It saves a lot of time.

\* \* \*

Be sure to have poorly prepared recitations on Mondays; the shock would otherwise be too great for the teachers.

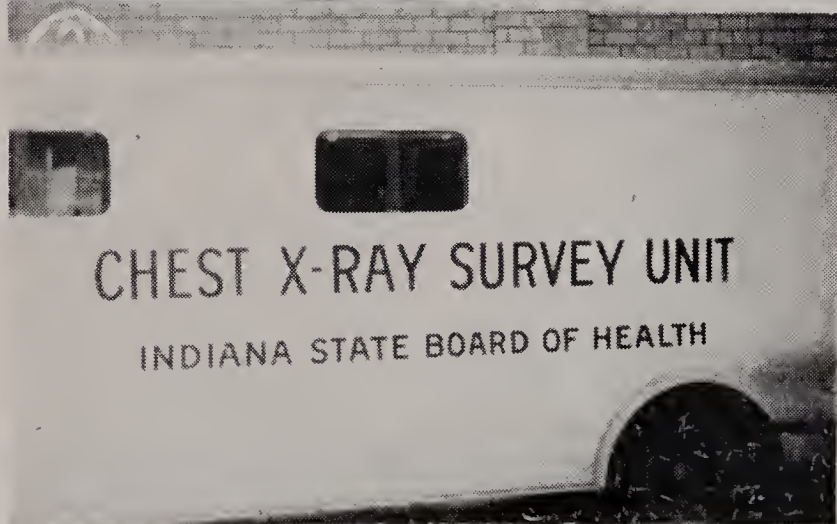

\* \* \*

Always leave the room without permission. It shows your independence.

\* \* \*

Always speak loudly while passing through the halls. It saves the teachers the trouble of going out to see who it is.

# progress report 1948

Today we have the greatest number of telephones in operation in our history. Daily telephone traffic has far surpassed the busiest rush hours of the war years. Our expansion program for 1948 calls for an even greater number of installations than during the record year of 1947. We are doing everything possible to meet the record demand for service—and, in all fairness, will give first attention to those who are on our waiting list.
